Valley

### Variety

100% Sauvignon  
Blanc

### Aging

Stainless steel  
tanks

### Alcohol

13.9 %

### Bottle Size

750 ml

Shrouded in morning fog which gives way to hot summer days, and blessed with fertile, mineral-rich soils, Sonoma County's famed Dry Creek Valley AVA has been producing its signature white, Sauvignon blanc, for over half a century.

A fantastic example of the vintage and region, our *2017 Burnside Road Dry Creek Sauvignon blanc* is a delicate straw yellow in color and is richly aromatic with grapefruit and pronounced honeysuckle on the nose.

A full-bodied mouthfeel introduces flavors of Meyer lemon and kiwi. Balanced and refreshing, with hints of vanilla and pear, a distinctive minerality gives way to a refreshing finish.

The *2017 Burnside Road Dry Creek Sauvignon blanc* is the perfect summer day wine on its own but also pairs well with oysters, spicy Pad Thai and salads.
